SPECIALLY DESIGNED MONITOR BRACKETS

As you would expect, Vista monitor brackets are manufactured to an exacting specification. Rigidly designed to clamp onto the monitor's handles, you can be assured that a secure monitor fixing can be achieved quickly. Maximum safety for the end user, with the minimum of fuss for the installer, is quickly ensured.

An individual bracket exists to suit every monitor in the extensive Vista monitor range. For this reason the guesswork has been removed, leaving you assured that once in place, your monitor will remain safe and secure. Available in a wall or ceiling mount format, with a deluxe chrome finish option for more prestigious environments, Vista monitor brackets are suitable for any security surveillance requirement.
