

# VISTA VHB-160

## EXTERNAL COMPACT CAMERA HOUSING

### IDEAL FOR APPLICATIONS SUCH AS:

- Town centres
- Petrol forecourts
- Car parks
- Commercial complexes
- Banks

### MAIN FEATURES:

- IP66 Rated
- Supplied with Heater
- 240V AC
- Snap on sun shield
- Slide and Hang Service Feature
- 100mm useable internal area
- Epoxy Polyester coated RAL7035
- Specially suited for use with Watec & Netco cameras

### IP66 EXTERNAL HOUSING

The VHB-160 compact external housing is supplied complete with snap on sunshield, heater and ceiling/wall bracket. Finished in Epoxy Polyester RAL7035 and providing water proofing to IP66, the VHB-160 is suited for use in a variety of testing environments.

With a simple opening mechanism, that allows the body and sun shield to slide forward and "hang", the VHB-160 provides easy access to the camera mounting platform for installation and future service requirements. Cable entry is gained via 1 x PG 9 and 1 x PG11 cable glands.

THE UK'S PREMIER CCTV BRAND
