

VISTA VQLC/M

RANGE OF QUADS

IDEAL FOR APPLICATIONS SUCH AS:

- Shops
- Warehousing
- Offices
- Commercial premises

MAIN FEATURES:

- Compact design
- Real time processor/display
- Video loss detect
- Alarm log with time, date and camera number
- Seven main set up items - title, time and date, display mode, picture, dwell time, alarm loss history and motion detection (colour unit only)

FEATURE RICH COLOUR & MONOCHROME QUADS

The Vista VQL Quad Range has been designed to be as simple to operate as possible, allowing the user to display a choice of quad, full screen or picture in picture images, from up to 4 video inputs. The sophistication of the VQL's processor enables digital zoom, real time processing and time & date capture facilities without complicating the functionality.

The VQL's feature rich compact design and cost effectiveness, coupled with its ease of use, makes it the ideal choice for a wide range of popular security applications.

THE UK'S PREMIER CCTV BRAND
